MESSAGE FROM FR. RICHARD ZANOTTI: September 30 marks the National Day for Truth and Reconciliation. In fact the month of September is dedicated to journeying with our First Nations, Inuit and Métis brothers and sisters.

"Truth" and "Reconciliation" are powerful words in our Christian Faith.

In the 8th chapter of John we read: "If you remain in my word, you will truly be my disciples and you will know the truth and the truth shall set you free."

In the 5th chapter of Matthew we read: "Therefore, if you bring your gift to the altar, and there recall that your brother has anything against you, leave your gift there at the altar, go first and be reconciled with your brother, and then come and offer your gift." Truth and Reconciliation is not easy, it takes lots of faith, trust, good will and the grace of God. It is in these great challenges that we must remember that what seems impossible for us is made possible with God.

REFLECTION: "Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love Him?" —James 2:5

What is more important – being rich in faith or rich in possessions? Society tells us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first and experience true joy and peace. When we put possessions first, we soon realize we can never have enough and happiness is fleeting. When we put faith over possessions we truly realize it is better to give than receive.
